EEG Safety Consent

In order to receive your EEG, Integrated Neurology requires that you follow these safety measures:

- **Patient must take their temperature** the day of appointment (as close to the appointment time as possible) and email photo of reading back to **office@integratedneurology.com**
- When you arrive, call the office @ **832-793-7530** and inform the staff that you are here.
- Please **STAY IN YOUR CAR** until you have been motioned to come into the building.
- Patient **MUST wear a mask** at all times while in the office, and during EEG.
- **Only one patient is allowed in the office at a time.** No one other than the patient receiving EEG is allowed into the building.

We are now in our NEW Location! 1411 Heights Blvd, Houston Tx, 77008

I have read the safety requirements for EEG, I understand them, and I agree to follow all of the safety measures above.
